DEPARTMENT OF THE INTERIOR,
UNITED STATES INDIAN SERVICE,

Umatilla Indian School,

Census.

Pendleton, Oregon, August 4, 1910.

The Commissioner of Indian Affairs,

Washington, D. C.

Sir:

0 2 4
I have the honor to enclose the census of the Indians of this reservation for the fiscal year ended June 30, 1910, the tribes consisting of 298 Cayuses, 461 Walla Wallas, and 151 Umatillas. The Office has heretofore been informed that no census was on file in this office since I assumed charge at the beginning of the fiscal year 1910. During the past year I have endeavored to complete a census of the tribes, but I wish to report that the census enclosed is not complete; we are continuing the work of enrolling those Indians who belong to this reservation, and we expect within a few months to have the census of the Indians here accurate.

4/10/10
A number of the Indians of this reservation have made application for their share of the tribal funds in the Treasury, and during the fiscal year 1910, seven of these applications were approved and warrants were issued in settlement. The division of the tribal moneys was based on a population of 1205 Indians, though from what records the Office obtained this number I cannot say. I am unable to find any record in this office that a census of these Indians has been taken during the past five years except the one enclosed, and while I believe that there are not 1205 Indians

who belong to this reservation, still I wish to advise the Office that the census enclosed is not complete, and that it would not be well to base the division of the tribal moneys upon the number of Indians upon the enclosed census. If the Office wishes to approve any more of the applications in the Office of Indians for their shares of the tribal funds, I recommend that the matter be held in abeyance for at least six months longer. At that time I will have a complete census of the Indians of the Umatilla reservation.

The statistics covering the number of births and deaths, the number of Indians allotted and unallotted, the population by blood, sex and tribe, is forwarded this day in another communication.

Very respectfully,

E. J. Swartzlander
Superintendent.

DEPARTMENT OF THE INTERIOR,
UNITED STATES INDIAN SERVICE.

Census.

Umatilla Indian School.

Pendleton, Oregon, December 12, 1910.

The Commissioner of Indian Affairs,
Washington, D. C.

Sir:

Referring to Office letter dated August 27, 1910, I have the honor to enclose herewith the census of the Indians of this reservation which has been made complete so far as the records of this office show, and with the assistance of the Indians who have called at this office. since I have been in charge of the Umatilla Agency.

The census is based on the allotment schedule, and it will be noticed that all Indians holding allotments on this reservation have their allotment number and tribe opposite their names. This information is placed on the census principally for the information of this office, and it may perhaps be of some assistance in the Indian Office.

The Indians belonging to this reservation are scattered over the entire northwestern part of the United States, and by corresponding with them I have been able to complete the census.

Very respectfully,

E. H. G.

Superintendent.
